

Aruba Triangle

Aruba Triangle is an exciting addition to the Aruba product family. These suspended ceiling tiles are cut into triangles and are available in 35 exciting colours, allowing you to create acoustic ceilings that make a real design statement.

Key Features

Aruba Triangle is a unique decorative ceiling tile that doesn't compromise on technical performance.

- With Class C sound absorption and excellent sound attenuation, it's a striking addition to any interior
- The triangular shape makes this ceiling tile particularly useful for wayfinding and zoning when used in combination with coloured tiles
- Compatible with Zentia's Gridline 24 suspended ceiling grid using a standard main runner, a unique cross tee and an innovative angled nodal bracket

We recommend ordering a full colour sample prior to specification and ordering. If you would like to order a sample or have any queries about this product please contact our Technical Sales Team on **0800 371 849** or email enquiries@zentia.com.

Please note that even though great care has been taken to ensure correct colour match, colours can only be as accurate as the printing process allows.

Every monitor or mobile display has a different capability to display colours, and every individual may see these colours differently.
