

Certificate

Indoor Air Comfort

Mineral Fibre Ceiling Tiles

Certified Product

Zentia Limited

Applicant

The product complies with Indoor Air Comfort requirements for product type, version 7.0 (2020). These include both inspections of factory production according to DIN 18200 and VOC testing according to EN 16516 by an ISO 17025 accredited laboratory, at regular interval.

Indoor Air Comfort certification ensures that low product emission requirements are fulfilled and is a sign of the applicant's focus on quality and contribution to a healthy indoor environment.

Compliance with Indoor Air Comfort means compliance with VOC requirements on low emitting products of:

Belgium regulation
France VOC class A
Germany (AgBB/ABG)
Italian CAM Edilizia

Product type: Ceiling Panel

Certificate number: IAC-433-02-01-2022

Issue date: 17 May 2022

Validity date: 17 May 2027

Thomas Neuhaus
Head of Certification Body

This certificate is valid as specified if regular surveillance and testing is done.
