

Prestige Colour

Prestige Colour offers the same finely textured and durable surface as Prestige, but with choice of 34 colours. Colour can be used in so many ways, for wayfinding, zoning large spaces, creating atmosphere, increasing productivity or simply designing for joy. Whatever your project objectives, there's a Prestige Colour to enhance your ceiling installation.

Key Features

- Available in 34 colours
- Ideal for wayfinding or zoning large spaces
- Made in the UK

We recommend ordering a full colour sample prior to specification and ordering. If you would like to order a sample or have any queries about this product please contact our Technical Sales Team on **0800 371 849** or email enquiries@zentia.com.

Please note that even though great care has been taken to ensure correct colour match, colours can only be as accurate as the printing process allows.

Every monitor or mobile display has a different capability to display colours, and every individual may see these colours differently.
