

Aruba dB

The higher attenuation performance of Aruba dB offers a perfect solution for improving the privacy between adjacent spaces. Whilst the class-leading whiteness helps to create spaces that are brighter and better, and which offer a greater sense of well-being for your customers.

Key Features

- // Excellent sound attenuation (39 dB sound reduction) to eliminate the need for sound barriers in close office applications
- // Enhanced acoustical absorption performance of 0.60 α_w for better acoustic comfort
- // Fully painted, reinforced edges for a more robust tile and greater durability
- // Improved aesthetics with discreet perforations, a smoother finish and a class-leading, fully painted whiteness
- // Easy to handle and re-engineered for a better, easier fit
- // Ideal for individual offices and board rooms
